NETBALL IN WA

SERVICE AWARD POLICY

Purpose

The awarding of the SERVICE AWARD to Netball in WA is in recognition of the significant, sustained and lasting contribution to netball by an individual in Western Australia at various levels over a sustained period of time.

It should be acknowledged that Life Membership is the highest honour available for netball in Western Australia. There are individuals who will not meet the eligibility criteria for Life Membership (which is a recognition of service to Netball WA) but have provided service to netball as a sport across Western Australia. This Service Award will recognise that contribution.

It should be noted that a recipient of the Service Award may go on to become eligible for Life Membership at some time in the future.

Criteria

Significant, sustained and lasting contribution is defined as the importance and quality of work or service consistently initiated, performed or undertaken for netball in WA by a member over a period of time.

Areas of Service

The nominee may be a volunteer or a staff member who undertakes voluntary service above and beyond their paid service.

Time of Service

- A minimum of thirty (30) years-service to netball in WA is required before being eligible to be considered for a Service Award;
- The intermittent contribution by a nominee over several periods of time may be taken into account when assessing a nomination;
- The Service Award may be awarded posthumously;
- The Netball WA Board reserves the right to determine if a Service Award can be awarded to a nominee who has provided less than the minimum number of years of service.

Endorsement

- In the first year, up to five Service Awards will be endorsed and awarded. The following year, three and in subsequent years a maximum of two nominations may be endorsed and awarded in any one year.
- If there are more than the required nominations that meet the Service Award Criteria in any one-year, the Board may choose to carry the nomination over to the following year or provide feedback to the nominator to re-submit an updated application the following year.
- The most outstanding nominations received each year that meet the criteria will receive the Service Award.

Procedure for Nomination and Announcement

- The Netball WA Board will invite Associations and Members to nominate candidate/s for this award.
- Candidate/s must be a current registered financial member of Netball WA (or a previously registered member if being nominated posthumously).
- The completed nomination form and all supporting information and documentation to be returned to Simon Taylor, Chief Executive Officer – simon.taylor@netballwa.com.au by the date specified by Netball WA. Late or hand written nominations will not be considered.

- Confirmation of receipt of this nomination will be forwarded to the Association or Member.
- The Netball WA Award & Recognition Committee will review all nominations received to ensure each nomination meets the criteria and, if appropriate, put forward such nomination for recommendation to the Board.
- The Netball WA Board will review all recommendations received and will endorse the recommendations for awarding the Service Award.
- Confirmation of the Service Award will be forwarded to the Association after the announcement.
- The announcement and formal presentation of the Service Award will be made at either the Annual General Meeting of Netball WA or the Association Championships or a suitable significant event where the recipient's peers will be present. Travel costs associated with attendance at the presentation will be negotiated on an individual basis.
