

MEMORANDUM

To	Netball WA – Member Association Presidents & Primary Contacts
From	Liz Booth, General Manager – Community Netball
Re.	Coronavirus Update
Date	16 March 2020

Under recent COVID-19 direction, Netball WA wishes to advise that the 2020 Aboriginal Youth Gala Day carnival that was due to take place at Southern Districts Netball Association on Sunday 5 April 2020 has been CANCELLED.

Netball WA has received an increasing number of enquiries from Associations, Clubs and individual members regarding the possible impacts of Coronavirus (COVID-19) across the last few days.

At this stage, Netball WA would like to reiterate that we are committed to protecting the health of all staff, players and members in general terms, and regarding the coronavirus (COVID-19) outbreak. Netball WA is regularly consulting with Netball Australia, State and Australian Governments regarding best practice concerning this outbreak. Netball WA will update all Associations as decisions are made in this very quickly changing landscape.

To alleviate the high number of enquiries that Netball WA and Associations are receiving, we encourage all Associations to forward on to all their Clubs information as provided by Netball WA, and that the Clubs provide this information to their Members.

For all current and up to date information regarding the impact on netball in WA, please direct your members to the Netball WA Website that has a dedicated information page on the Coronavirus (COVID-19) <https://wa.netball.com.au/covid-19s-impact-netball-wa>. This page will be updated with any future communications produced by Netball WA.

Netball WA have been advised that there will be further information from Netball Australia tomorrow and we will release this to the Associations on receipt. This information will also be placed on the Netball WA website (COVID-19) information page.

Your support will help alleviate the number of enquiries we are all receiving, enabling us to better work through the situation at hand.

We appreciate your assistance in this matter.
