NETBALL WA STATEMENT ON 2020 ORIGIN ENERGY METRO LEAGUE

Due to the ongoing impacts of COVID-19 and the latest restrictions on indoor venues, Netball WA has made the decision to cancel the remainder of the 2020 Origin Energy Metro League season, effective immediately.

The health and wellbeing of our netball community – our athletes, coaches, umpires, officials, volunteers, fans and staff - is paramount, and the potential impact on our people was at the forefront of this decision.

Having nearly completed it's second full season, the Origin Energy Metro League has been a wonderful new addition to the Netball WA competition calendar since 2019 and we look forward to it returning bigger and better in 2021.

We would like to thank our participating teams for their support during this challenging time, and ask that any queries regarding this decision be directed to David Lindsay, Netball WA Netball Operations Manager – david.lindsay@netballwa.com.au.
