

RETURN TO COMMUNITY NETBALL

INTENT TO TRAIN

Under Netball WA's Return to Community Netball Guidelines, netball training sessions are now permitted as per the following conditions listed on the page 2 checklist. These controls adhere to the current restrictions and State Government advice. Associations and Clubs/Teams are reminded of the requirement to ensure the available venue(s) (courts and other facilities) are booked through the correct agencies.

Netball WA request that Associations liaise with Clubs/Teams to ensure these restrictions are adhered to and that Associations remain aware of what sessions are being conducted (at all times). Please plan carefully as Associations, Clubs and individuals may be liable for any fines associated with not adhering to the guidelines.

Completed forms to be returned to club committee and made available to the association on request.
