FUEL TO GO & PLAY ASSOCIATION CHAMPIONSHIPS

26 – 28 SEPTEMBER 2020

BACKGROUND

The Fuel to Go & Play Association Championships was first held in the early 1950s and was known as “Country Week”, with only country teams participating. Over the years, the competition has evolved, including several name changes, and in 2020 will be referred to as the *Fuel to Go & Play Association Championships*.

Three association venues have been used in recent years: Fremantle Netball Association, Perth Netball Association and Wanneroo Districts Netball Association. With the continuous expansion of the competition and current number of teams involved, the Gold Netball Centre and Perth Netball Association have been selected as the current Competition venue as these venues have the required number of courts to support the size of the competition.

The COVID-19 conditions will allow Netball WA to host the Competition across these two venues, however depending on that stage of safety protocol in place at the time, spectator limits may be in place.

PURPOSE

The Fuel to Go & Play Association Championships forms part of the Netball Western Australia (NWA) Competition Framework and Pathway. The competition is held annually to provide representative participation for Associations’ players, coaches, officials, managers and administrators.

The Competition provides an opportunity for player, coach and umpire talent identification, coach mentoring, umpire coaching and testing, and for Associations to measure their pathway progressions against other Associations.

The Fuel to Go & Play Association Championships also offers a wonderful chance for all participants including players, officials, and supporters from across the state to come together and enjoy their netball experience and interaction with like-minded people.

COVID-19

Due to the unprecedented environment in which COVID-19 has left on the current Netball WA Competitions, Netball WA reserves the right to make alterations of this Manual at any point to best suit the Competition and the protocols directed by the State Government.

- c) The decisions of the umpires shall be final and shall be given without appeal.
- d) Team Captains have the right to approach an umpire during an interval or after the game for clarification of any rule. If there are any queries regarding umpiring matters during a game, please go to the Match Office at Perth Netball Association where staff will call for a supervisor before the game ends.

- h) Association umpires will be required to umpire for their own games.
- i) NWA will allocate umpires for the Grand Final matches from the pool of umpires nominated by each association. All umpires participating **must** be available to umpire finals if allocated, this includes all country umpires. NWA Sport Development umpiring personnel will confirm and contact all umpires required for finals matches.
