

MEMORANDUM

To	Netball WA Member Associations, Associate Members, and Clubs
From	Garry Chandler – Acting CEO Netball WA
Re.	2021 Netball WA Affiliation, Membership & Participation Fee Structure
Date	13 November 2020

Dear Member Associations, Associate Members and Clubs

At the recent Netball WA Board meeting, the 2021 Affiliation and Membership Fees and 2021 NetSetGO Participation Fees were discussed and endorsed.

The Netball WA fees were restructured in 2019 as a result of the Membership and Governance Review that led to significant changes to our Regional structure. During the last quarter of 2020 Netball WA have commenced the Membership Review with the appointment of a Consultant, who will shortly engage with Member Associations and Associate Members. Further details regarding this project will be forthcoming.

In 2020, due to the impact of COVID-19 creating the shortened seasons and game times required to enable delivery of competitions in COVID safe environments, the Netball WA Board approved the decrease and change of the Individual Membership Fees from the original 2020 Fee.

After review, the Netball WA Board has endorsed that the Individual Membership Fees will revert to the original 2020 Individual Membership Fees for 2021. All other components of the Netball WA fee structure for affiliation and participation also being retained for the 2021 season.

Appendices A to D detail the fee structure that will be applicable in 2021.

The registration of individual members and participants is paramount, and Netball WA requires its Member Organisations to register their committee members, coaches, officials and volunteers into the associated member categories (i.e. non-playing and volunteer) in MyNetball.

Being able to accurately capture this volunteer information allows for Netball WA to best represent its workforce when seeking grants and funding. This, in turn, makes it possible for Netball WA to support, service and educate the Western Australian netball community, bringing netball closer to being “the sport of choice in WA”.

MyNetball training relating to Membership registrations, NetSetGO registrations and competition management, is available to all Netball WA affiliates. Regional Associations, Associate Members and Clubs please contact your [Regional Office](#) for queries or information regarding MyNetball training. Metro Associations, Associate Members and Clubs please contact Jaime-Leigh Strickland Netball WA Membership Coordinator Jaime-Leigh.Strickland@netballwa.com.au

We also encourage Associations, Associate Members or Clubs who have any queries or require additional information regarding the Affiliation and Membership fees to contact Liz Booth, General Manager – Community Netball or Jo Smith, Stakeholder Engagement Manager.

To ensure that this critical information reaches everyone who is involved in the player registration process, we ask that each Association passes this information to member clubs and entity teams as soon as possible to allow them to appropriately plan and budget for the 2021 year.

Netball WA would like to thank each of our Member Associations, Associate Members, Clubs and Volunteers for the outstanding contribution and work that has been done over 2020 to ensure competitions could be delivered in COVID safe environments. The amount of time and energy required to make this happen cannot be underestimated and we are truly grateful for the tremendous work from all.

We look forward to working with you for the remainder of the year and again in 2021.

Kind regards,

Garry Chandler
Acting Chief Executive Officer
