

MEMORANDUM

To	Netball WA Association Presidents, GIG WANL Club Presidents & Primary Contacts
From	Liz Booth – General Manager – Community Netball
Re.	COVID-19 Update – Return to Netball Operations
Date	27 April 2021

Dear Netball WA Association Presidents, Gold Industry Group WANL Club Presidents & Primary Contacts

Following yesterday's announcement by Premier Mark McGowan that COVID-19 restrictions are being eased, further information follows specific to community netball that will apply until 12.01am, Saturday 1 May.

These include:

Gold Industry Group West Australian Netball League

- At this stage there will be no training permitted at the Gold Netball Centre this week.
- Clubs are required to find alternative training venues. Permission must be obtained from schools to use school facilities.
- Round 2 of the GIG WANL season is scheduled to proceed as fixtured this Sunday, 2 May.
- Round 1 fixtures are being rescheduled at a date to be confirmed.

State Teams

- 19U & 17U State Team members will be advised of training requirements for Wednesday, 28 April by 6:00pm on Tuesday, 27 April.

Community Netball (Perth & Peel Region)

- Continue wearing a mask in public at all times.
- Netball training and games are permitted without spectators.
- Masks are not required indoors or outdoors for players or umpires, whilst training or playing.
- Coaches and other Team Officials must wear a mask but may remove it when speaking with players.
- Parents can assist/supervise while wearing a mask for U16 sport, but not general spectators.
- Outdoor areas are not subject to the 20-person limit if it is for sporting activities.

Proudly affiliated with

- Indoor areas are restricted to 20 persons. If your venue has multiple spaces that can be closed off via either doors, windows or walls you are permitted to have 20 in each indoor space provided that you comply with the 4sqm rule.
For example: an indoor court can only have a maximum of 20 persons, but your meeting room might be small and only be allowed 6 persons due to the 4sqm rule.
- Training at a school must be approved by the school.
- Clubs must maintain a contact register. If they do not have a Safe WA QR code, a manual register must be used - [DOWNLOAD](#)
- All venues must display capacity signage (20 persons maximum or 1 person per 4sqm) for all indoor areas, including club rooms and ablutions.
- All participants are required to provide their own water and there should be no sharing of water bottles.
- Associations and Clubs to contact their venue owners (i.e., local governments) to ensure that no further restrictions apply.

Community Netball (Non-affected regions)

- Regional travel restrictions will be removed, but restrictions on travel to remote Aboriginal communities remain in place.
- Anyone in an unaffected region who has been in Perth or Peel since 17 April must comply with mask-wearing requirements until 12.01am, Saturday 1 May.
- Masks are not required indoors or outdoors for players or umpires whilst training or playing.

For further information from the State Government regarding transition restrictions please follow this link: <https://www.wa.gov.au/government/publications/safe-transition-western-australia-directions-no-2>

Thank you for your assistance to ensure that associations, clubs, participants and spectators comply with these health requirements so that we can return to full training and games with spectators as soon as possible.

Kind regards,

Liz Booth

General Manager – Community Netball
Netball WA
