

COACH'S GUIDE FOR NETSETGO

# Set Session Plans

## 1 - 10

7 - 8 YEARS

Suncorp NetSetGO is Netball Australia's entry level program. It teaches children the basic skills of netball.

It gives children aged 5 to 10 a positive introduction to netball, through skill-based activities, minor games, music, dance and modified matches.

The program promotes a healthy, active lifestyle and helps children develop important social skills, like team work.

With three tiers Net, Set and GO, the program is designed especially for children to transition into junior netball with confidence.

The program is easy to run and gives clubs and associations the chance to recruit new players and volunteers.

## NetSetGO

net

Tier 1 - Recommended age 5 - 6 years

**Focus:** Learning and Acquisition of Fundamental Motor Skills

**Delivery:** Participants are introduced to a number of fundamental motor and netball skills in a netball environment. The activities are simple, require limited equipment and allow for maximum participation and repetition. Participants will experience fun and success by participating in age and developmentally appropriate activities and minor games that foster cooperation, teamwork and the ability to listen to and follow directions.

Tier 3 - Recommended age 9 - 10 years

**Focus:** Netball Specific Skill Development

**Delivery:** The participant is introduced to more netball-specific skills as well as refining their fundamental movement skills. This is a period of accelerated development of coordination and fine motor control. It is also a time when children enjoy practicing skills they learn and seeing their own improvement. NetSetGO modified match rules are adapted at this level to provide a smooth transition into junior netball (adult rules) whilst ensuring the participants are achieving success. Modified equipment (size 4 ball and 2.4m goal post) is still an important adaptation for this tier as it allows for correct technique to be executed with greater proficiency. Competitive elements (like scoring) may be introduced however the focus should not be on winning. All participants should be provided with equal court time and exposure to a variety of positions.

set

Tier 2 - Recommended age 7 - 8 years

**Focus:** Extension and Refinement of Movement

**Delivery:** The participant continues to progress and refine their fundamental movement and netball skills whilst being introduced to additional netball skills and basic netball strategies. This is achieved through a mix of activities, minor games and organised age-appropriate and modified sport. NetSetGO modified matches are introduced in this tier. The rules and equipment are adapted to help the participant build confidence and competency. Modified matches should be non-competitive (no scores, ladders or finals), with all participants provided with equal court time and the opportunity to play in a variety of positions. Learning and refining fundamental movement and netball skills via training activities should continue to be the focus in this tier.

## Session Plans

### Activity Cards

As part of each session plan, a number of activity cards have been designed to ensure a consistent approach to delivery, development, use of language and coaching for coaches delivering at a NetSetGO Centre.

### What's on a card?

**Objectives:** Clearly defined netball-specific learning outcomes relevant to the activity. Coaches should base their delivery, support, discussion and questioning around these.

**Start out/Get into it/Finish up:** The format of each session is broken up into a warm up (Start out: 10–15 minutes), skill development and minor game (Get into it: 30–35 minutes) and modified game/cool down (Finish up: 5–10 minutes).

**Equipment/area:** What equipment and area is required to play the activity.

**Group management:** What group numbers are required.

**Description:** Provides simple instructions on how to deliver the activity.

**Coaching tips:** Provides key technical and tactical coaching points to guide coaching as participants are engaged in the activity. More detailed coaching points can be found in the appendix of this resource.

**Change it:** Ideas on how to change the activity to reflect the developmental stage of the group and individual. Down = Easier; Up = Harder.

**Questions:** Examples of individual and group questions that can be asked to develop awareness around technical or tactical aspects of the game.

### Minor Games

The minor game variations are included at each level of the program in the 'Get into it' sections. These invasion games allow players to practise and develop skills in a game-like environment without actually playing a match. Minor games may be modified by changing the rules, increasing or decreasing the activity space or setting time restrictions. The coach can decide whether they use the minor game identified in the session plan, or use their discretion to choose an appropriate variation based on the development of their players.

### Safe Landing

When landing on one leg it is important to teach the players which foot they should be landing on.

Teaching Points	Common Errors
<p><b>Two Feet</b></p> <ul style="list-style-type: none"> <li>✓ Land with feet shoulder-width apart to give a firm support base</li> <li>✓ Keep body upright, bend at hips, knees and ankles on impact to cushion landing</li> <li>✓ Continue to bend knees after impact to assist with a balanced soft landing</li> <li>✓ Body weight over both feet with shoulders even and weight on both feet</li> </ul> <p><b>Right / Left Foot</b></p> <ul style="list-style-type: none"> <li>✓ If player leads to the left, they should land on the left (outside) foot. ## Attacking Skills

### Timing of Lead

An important aspect of all attacking moves.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Reading cues from the thrower</li> <li>✓ Reading available space</li> </ul>	<ul style="list-style-type: none"> <li>✗ Moving too early before thrower is ready to release</li> <li>✗ Driving into space already taken</li> </ul>

### Straight Lead

Timing is key for successful execution.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Sprint strongly to the ball, either directly forward or diagonally at a 45-degree angle to the free side</li> <li>✓ When the lead is to the right, take off with the right leg and vice versa</li> <li>✓ Emphasis should be on strong first 3–4 steps with shoulders in direction of lead</li> <li>✓ When leading to the right, land on the right foot and pivot to the right</li> <li>✓ When leading to the left, land on the left foot and pivot to the left</li> <li>✓ Strong arms to accelerate</li> <li>✓ Maintain speed onto ball</li> </ul>	<ul style="list-style-type: none"> <li>✗ Leading too soon</li> <li>✗ Step back before drive forward or taking off with the incorrect leg</li> <li>✗ Run with body 'flat' to ball</li> <li>✗ Arms swing across body or not at all</li> <li>✗ Lead is to the side but not towards the ball</li> <li>✗ Slow down before the pass is taken</li> <li>✗ Landing on the inside leg</li> </ul>

### Single Dodge

Movements should be quick and decisive.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Eyes on thrower</li> <li>✓ Body upright, feet shoulder-width apart, slightly bent knees and hips</li> <li>✓ Move a few steps away from the intended catching position (should be a definite move)</li> <li>✓ Place outside foot strongly on ground and push off in the opposite direction, turning hips to face towards direction of travel</li> <li>✓ Use arms to accelerate and extend to receive ball</li> </ul>	<ul style="list-style-type: none"> <li>✗ Feet too far apart</li> <li>✗ No weight transfer onto outside foot</li> <li>✗ Push off on the inside foot</li> <li>✗ Dodge not a definite movement, just a sway</li> <li>✗ Movement too slow, allowing defender to hold attacker's position</li> <li>✗ Moving head and losing sight of thrower</li> <li>✗ Eyes and head looking down</li> <li>✗ Arms beside body and not using to increase power</li> </ul>

### Change of Direction (Two Straight Leads)

First movement is longer than that used in a single dodge.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Sprint strongly to the ball, either directly forward or diagonally at a 45-degree angle. Shoulders should be in direction of movement</li> <li>✓ Emphasis should be on strong first 3–4 steps</li> <li>✓ Push off strongly on outside foot and use inside foot as take-off foot to move into a new space</li> <li>✓ Emphasis again on strong first steps when moving to the new space</li> </ul>	<ul style="list-style-type: none"> <li>✗ Leading too soon</li> <li>✗ Shoulders not turned in direction of lead</li> <li>✗ Push off on the inside foot</li> <li>✗ Movement onto second move not definite</li> <li>✗ Not changing direction into a free space</li> <li>✗ Arms beside body and not using to increase power</li> <li>✗ Eyes and head looking down</li> </ul>

Reading the pattern of play allows the defender to predict the most likely passing option.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Read cues provided by thrower to anticipate direction of pass</li> <li>✓ Drive for an intercept at an angle</li> <li>✓ Focus on ball</li> <li>✓ Emphasis should be on strong first 3–4 steps</li> <li>✓ Run through to take the ball</li> <li>✓ Land on the outside foot and balance</li> </ul>	<ul style="list-style-type: none"> <li>✗ Misreading the cues</li> <li>✗ Leading too soon</li> <li>✗ Angle too flat</li> <li>✗ Eyes and head looking forward</li> <li>✗ Push off on the inside foot</li> <li>✗ Lunging at the ball</li> <li>✗ Landing on incorrect foot and overbalancing</li> </ul>

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Push off strongly 0.9m distance (1.2m for NetSetGO)</li> <li>✓ Strong stride/jump back – can be one large stride or a few quick steps</li> <li>✓ Use arms for power to jump back</li> <li>✓ Head up with eyes on ball and opponent</li> </ul>	<ul style="list-style-type: none"> <li>✗ Push off not quick enough to get back to distance</li> <li>✗ Feet too wide or too close together – difficult to change direction</li> <li>✗ Eyes on ground – attempting to judge distance</li> </ul>

### Hands Over Ball (NetSetGO Distance is 1.2m)

Balance should be maintained ready to defend the attacker after they release the ball.

Teaching Points	Common Errors
<ul style="list-style-type: none"> <li>✓ Stand 0.9m in front of the person throwing (1.2m for NetSetGO)</li> <li>✓ Feet shoulder-width apart, knees, hips and ankles slightly bent</li> <li>✓ Weight balanced over two feet with knees over toes and entire foot on ground</li> <li>✓ Arms up and in position over the ball</li> </ul>	<ul style="list-style-type: none"> <li>✗ Incorrect distance</li> <li>✗ Hands coming up before correct distance is taken</li> <li>✗ Feet narrow/legs straight/on toes – lose balance and shorten distance</li> <li>✗ Bend forward too much at waist</li> <li>✗ Arms waving and not defending ball</li> </ul>
