1. Purpose

The purpose of this Policy is to define the Membership criteria of each category of Membership as set out in the Constitution of Netball WA (Inc.) and to describe the criteria that must be met to be eligible for each of the Member Association and Affiliated Club membership types, including Entity Teams. It also outlines an Associate Membership category and addresses the approving delegations of this membership type.

2. Responsibilities

The CEO is responsible for ensuring the implementation of this Policy.

The General Manager – Community Netball is responsible for overseeing all aspects of the operations of Membership on behalf of Netball WA (Inc.).

3. Review Process

This Policy will be reviewed annually to ensure governance best practice, and that the criteria and procedures are effective in supporting the objectives and strategic direction of the organisation. Any proposed changes or alterations to this Policy will require Netball WA (Inc.) to undertake a consultation process with all Member Associations for a minimum period of 6 months prior to this Policy being formally reviewed and approved by the Netball WA (Inc.) Board.

As an example of this review process: Netball WA could seek to consult between January and June to ensure Members' feedback is considered at the Netball WA (Inc.) July Board meeting, prior to this Policy and Schedule being formally reviewed and approved at the Netball WA (Inc.) September Board meeting. Circulation of the reviewed Policy and Schedule would then occur in September each year (as per Clause 44.4 of the Netball WA (Inc.) Constitution), to ensure that any changes may be factored into the Memberships' planning for the following year.
