

Netball WA Board of Directors Vacancies (Volunteer Roles)

Netball WA is the governing body for the sport in Western Australia, incorporating community netball, West Coast Fever and our subsidiary entity Glass Jar Australia, a charitable organisation that empowers young Aboriginal women across regional Western Australia.

Due to a recent change to our Board composition, which will see the Board increase from 7 to 9 Directors, coupled with the expiration of existing Director terms, at our AGM in May 2022, a number of positions on the NWA Board will become vacant. Having recently conducted a skills gap analysis we have identified the following areas of expertise as desirable to support the Board in its ongoing strategic development of the sport in Western Australia;

Area	Skill Set
Legal	Recent or current legal practice experience
Financial Management	Formal qualifications, experience of Accounting Standards, ideally CPA or CA
Risk Management	Experience in risk management frameworks
Information Technology	Strategic understanding of technology, trends & application within business
Strategic Human Resources	Understanding of best practice, inc. HRM, OHS, IR
High Performance	Experience in high performance and/or elite sport
Netball Sector	Involvement or administrative experience in community netball (Regional and Metro)
Sponsorship	Experience in identifying and securing sponsors/partners or managing partner relationships

The Netball WA Board of Directors meets regularly with additional opportunities for Board & strategy development also planned throughout the year. Opportunities for broader input into our organisation is supported by our Board sub-committees, including areas such as Audit & Finance and Governance & Risk.
