2023 NAIDOC NETBALL WINNER, ELIZABETH COOK

Netball WA and the Insurance Commission wishes to congratulate Elizabeth Cook, on her unique and beautiful netball design for the 2023 NAIDOC Netball Carnival.

On learning of the design being picked, Elizabeth said “I am totally blown away and stunned that my design has won the 2023 NAIDOC Ball Design competition. I am extremely happy and humble and cannot wait to see the balls on the local courts here in Geraldton.”

Elizabeth also provided some insight on the meaning behind the artwork “The Aboriginal and Torres Strait Islander flags represent the First Nations Peoples of Australia. The hands represent all the hands that are working towards shaping a better future for our peoples. The background are all the colours of our lands. The meeting circles represent the coming together and co-operation of our people to create a brighter future for our peoples. The footprints and paths represent the journey we are all on to better our communities.”

The bespoke NAIDOC Netball is proudly supported by the Insurance Commission each year to put the Belt Up message directly in the hands of NAIDOC Carnival participants.
