17/U Trial Information

- The aim is for athletes to be on court a minimum of three times, and to move through the courts to enable selectors to view.
- Each game is approximately 10mins (quarters can be reduced as the day goes on).
- It is the athlete's responsibility to ensure they are seen in the positions they want to be seen in (the preference is to have more than 1 position).
- At this stage in the trial process, we are unable to give individual feedback.
- Some athletes will be viewed at the School Sport All Stars Tri-Series.
- Identified athletes from National Netball Championships and State Cup have been invited into Phase 3 based on performances.
