

Memorandum

To: Netball WA Association Presidents & Primary Contacts and
Gold Industry Group WANL Club Presidents & Primary Contacts

From: Simone Hansen - Group CEO Netball WA

Date: 24 October 2025

Subject: 2026 Membership Fee Structure

Please be advised that the 2026 Membership, Program Participation, and Affiliation Fees have been approved during the recent Netball WA (NWA) Board Meeting.

In response to increased operating costs and in alignment with CPI, most fee categories will see a 3% increase in 2026. This adjustment is necessary to ensure we can continue delivering high-quality programs and services to our netball community. It also includes a new Child Safeguarding check feature in PlayHQ which will streamline Working with Children Checks for Associations and Clubs and assist compliance in this important area.

However, based on positive feedback and as part of our commitment to making netball accessible to new participants, NWA is pleased to confirm that the 3-month membership fee will remain at an affordable \$50.00.

PlayHQ and Netball Australia Fees

Effective from 2026, the Netball Administration System and Services Fee will increase to **\$5.61 per player**. This fee is automatically collected at the point of sale and disbursed directly to Netball Australia. This fee comprises \$2.20 allocated to Netball Australia, \$3.30 to PlayHQ, and a \$0.11 transaction fee.

This fee supports the National support services provided by Netball Australia, which includes access to the 1800NETBALL hotline, email support, and a publicly accessible netball-specific knowledge base.

The fee will be applied to all players, including NWA Playing Membership and Participation participants (as outlined in Appendix B), but will not apply to non-players or local program participants (e.g., Association/Club trials, Come & Try events). The transaction fee of 1.99% will continue to be administered by Stripe on all financial transactions conducted within PlayHQ.

NWA recommends that all entities increase the membership/participation fee set in the system by an additional 2.03% to cover this transaction fee. This approach will ensure that entities receive the full member/participation fee without absorbing any part of the Stripe transaction fee.

The 1.49% Service Fee will continue to be applied to all transactions, added at checkout without requiring action from administrators. The collection of this fee is essential for PlayHQ to continue developing important features that ease the workload of volunteers and foster participant engagement and growth.

Non-Playing Member Registrations

Netball WA Member Associations and affiliated entities are required to register their non-playing committee members, coaches, officials, and volunteers for each competition. Please note that there are **no fees** associated with this membership category at the Netball WA level in relation to PlayHQ requirements.

Accurately capturing volunteer information allows Netball WA to effectively represent our workforce when pursuing grants and funding opportunities, thereby enhancing our ability to support, service, and educate the Western Australian netball community. This registration provides clubs and associations with the ability to meet aspects of the Working with Children check legal requirements via the PlaySafe integration with PlayHQ.

Member Benefits and Value Proposition

Netball WA is committed to ensuring that affiliated Members, Member Associations and Clubs are eligible for accessing member only benefits. We have outlined some of these on our website for easy accessibility and can be found here <https://wa.netball.com.au/member-benefits>

Should you have any questions or require further clarification regarding the information provided, please do not hesitate to contact Jaime-Leigh Strickland, NWA Membership Services Manager membershipservices.manager@netballwa.com.au.

Thank you for your ongoing support and look forward to another exciting year of netball in 2026.

Kind regards,

Simone Hansen

Group Chief Executive Officer- Netball WA
