

Netball WA

Service to Sport Award

Purpose

The Netball WA (NWA) Service to Sport Award recognises the significant and sustained contribution to Netball in WA by an individual in Western Australia at various levels for an extended period (30 Years).

It should be acknowledged that Life Membership is the highest honour available for netball in WA. There are individuals who will not meet the eligibility criteria for Life Membership but have provided service to netball as a sport across WA. A recipient of the Service to Sport Award may go on to become eligible for Life Membership at some point in the future.

Selection Criteria

The nominee for the Award must meet the following criteria:

1. Candidate/s must be a current registered financial member of NWA (or a previously registered member if being nominated posthumously).
2. The nominee may be a volunteer or a staff member who undertakes voluntary service above and beyond their paid service. Current NWA Life Members are ineligible for the Service to Sport Award.
3. Significant and sustained contribution to Netball in WA by an individual in Western Australia at various levels for an extended period (30 Years). Significant, sustained and lasting contribution is defined as the importance and quality of work or service consistently initiated, performed or undertaken for netball in WA by a member over a period of time.
4. Meet the Time of Service as outlined below.

Time of Service

- A minimum of thirty (30) years-service to netball in WA is required before being eligible to be considered for a Service to Sport Award
- The intermittent contribution by a nominee over several periods of time may be taken into account, when assessing a nomination

- The NWA Board reserves the right to determine if a Service Award can be awarded to a nominee who has provided less than the minimum number of years of service
