

Congratulations to the players from across the state in the 2026 Fever in Time (FIT) Program.

Our 2026 FIT team names are proudly named in Noongar after birds found in Western Australia – a tribute that acknowledges our deep connection to Country, celebrates local culture and reflects the unique spirit of our region where the teams shall train and compete.

This naming tradition also serves as a nod to our netball heritage – specifically the Perth Orioles, who represented WA in the Commonwealth Bank Trophy from 1997 to 2007 before evolving into today's West Coast Fever (est. 2008). It connects our young players back to the foundation laid by the Orioles in WA's elite netball history.
